DESIGN PHILOSOPHY

The philosophy behind every pet product developed by Air Design is inspired by our love and respect for animal life and the planet, combining Great Designs, State of the Art Materials and Sustainability.

Air Design Pet products impress by their great innovation in Design, its outstanding surface quality, colors, superior gloss and durability.

Our passion for Design and attention to detail, combined with unlimited access to modern product development software, robotic equipment and the most advanced engineering materials, simply place us at the forefront of the industry.

As a High-Tech niche company, Air Design involved with the Pet Industry, Medical and Enviromental Equipment, Automotive & Transport Industry and many other Industrial Design and Product Development endeavors.

La filosofía detrás de cada producto de mascotas que desarrolla Air Design se inspira en su profundo amor y respeto a la vida animal y al planeta, combinando Diseños de Vanguardia, Materiales Estado del Arte y Sustentabilidad.

Los productos Air Design impresionan por su gran innovación en diseño, por su excelente calidad de superficie, colores impresionantes y brillo permanente.

Nuestra pasión por el diseño y atención al detalle, junto con el acceso ilimitado al software de desarrollo de producto estado del arte, equipo de robótica y los materiales de ingeniería más avanzados, simplemente nos pone a la vanguardia de la industria.

Como empresa de alta tecnología de nicho, Air Design se dedica a la industria de las Mascotas, Equipo Médico y Ambiental, Industria Automotriz y del Transporte, entre otros.

Inspired by
our pets,
designed
for your
home.

AIR DESIGN

Air Design (est. 1991) is an International Industrial Design and Manufacturing firm that creates innovative, award winning products, for the modern Life Style and well being of humans and pets, exporting to more than 30 countries.

Our State of the Art Design Center located in Cuernavaca, Mexico, reunites a staff of more than 350 multicultural of Industrial Designers, Engineers and Plant Personnel form around the world.

Air Design (est. 1991) es una firma Internacional de Diseño Industrial, Manufactura e innovación, ganadora de premios al mejor producto, orientados al "Lifestyle" y vida moderna de los humanos y sus mascotas, con exportaciones a más de 30 países.

Nuestro Centro de Diseño Estado del Arte ubicado en Cuernavaca, México, reúne a un equipo interdisciplinario de más de 350 Diseñadores Industriales, Ingenieros y Personal de Planta de todo el mundo.

STATE OF THE ART MATERIALS

Air Design PETS products wonder by their State of the Art materials, its outstanding surface quality, brilliance in color and superior durability!

Air Design Pet products surpass all industry standards by its Outstanding Brilliance made in sanitary acrylic, hygienic surfaces, high break resistance and long term durability that guarantees the highest quality in sanitary and wellness areas.

Our *Designer*® Bowls, Litter Boxes and Beds are made in an Austrian Advanced Polymer that forms multi-layer composite sheets of ABS plastic, which has on its top surface a sanitary PMMA Acrylic. The five reinforcement layers of our products bring additional stiffness for the most demanding Pets.

The five reinforcement layers of our products bring additional stiffness for the most demanding Pets and their pals.

Air Design Pet Accessories are produced with Antibac® which ensures hygienic surfaces. The characteristics of this material increase physical resistance, high break and scratch resistance, long durability for Interiors and Extreme Outdoors conditions.

GREAT DESIGN
FOR YOU AND
YOUR PET
NEVER SEEN
BEFORE!

¡GRAN DISEÑO
PARA USTED Y
SU MASCOTA
NUNCA ANTES
VISTO!

Senosan® advanced raw materials used for Air Design Pet Accessories have a very low risk potential and are 100% Recyclable.

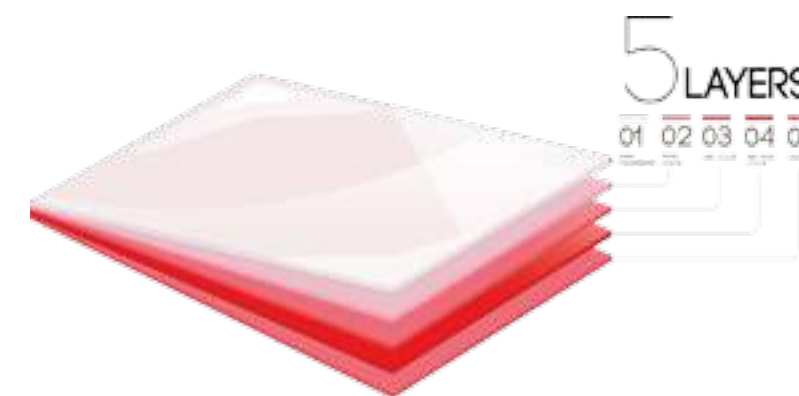

For the color blends we use concentrates that are free from heavy metals and toxic additives in compliance with the RoHS 2005/618/CE amendment.

Los productos Air Design PETS impresionan por sus materiales Estado del Arte, su excepcional calidad en la superficie, sus colores brillantes y su durabilidad superior!

Los nuevos productos Air Design PETS sobrepasan los estándares de la industria por su alta definición, sus formas orgánicas y superficies de Acrílico Sanitario con alta resistencia al impacto.

Todos los Bowls, Areneros y Bases de Camas de Air Design PETS son fabricados con polímeros avanzados de tecnología Austriaca de vanguardia que combina diferentes capas de plástico ABS y una capa superficial de Acrílico Sanitario PMMA.

Nuestros productos, moldeados a partir de 5 capas de plásticos de ingeniería, logran una gran resistencia a roturas y ralladuras, en Interiores o Exteriores.

Los Accesorios Air Design PETS, son producidos con fórmulas Antibac® lo cual asegura superficies siempre higiénicas libres de hongos y bacterias.

La fórmula avanzada del material Senosan®, utilizado en la producción de nuestros accesorios para mascotas, no presentan índices de toxicidad, además de ser 100% reciclables.

Las fórmulas utilizadas en la coloración de nuestros materiales están libres de materiales pesados como el plomo y otros aditivos tóxicos, cumpliendo así con la norma europea RoHS 2005/618 /CE.

INVINCIBLE!
Its elastic material makes it unbreakable besides not being toxic. The finished texture and embossed areas prevent liquids from expanding to the edges and spill.

¡INVENCIBLE!
Su material elástico lo hace irrompible, además de no ser tóxico. Las zonas texturizadas y acabadas en relieve evita que los líquidos se expandan a los bordes y se derramen.
